

Chapter 13

Activity 1: Food Cost

Calculate food cost on the following menu items:

1. Acai Bowl
2. Green Apple Chia
3. Raw Oatmeal Cookie
4. Berry Peary Chia

Food costs are high; how do you determine why, and how to fix it?

Why is it important to use the Food Cost Troubleshooting Guide?

Why is managing food cost critical to the success of Raw Juice? How does it impact your ability to work in a great environment?
